MILDEW REMOVER

A high performance cleaner & stain remover

KEY FEATURES

- Easy to use
- Ideal for all hard surfaces including marble
- Non acid formula
- Removes mildew, stains and household contamination

PRODUCT DESCRIPTION

- A high performance stain remover and cleaner that will remove mildew, stains and household contamination, leaving surfaces bright & residue free.
- Non acid & water based formula suitable for all hard colour fest surfaces that will remove stubborn stains such as grime and most household contamination.

APPLICATION

Always test apply on a small hidden portion of the substrate before applying.

Ready to use, no need for dilution. Do not allow to come in to contact with clothing, fabrics or carpets as bleaching will occur.

1. Spray a generous even coat.
2. Allow to act for up to 30 minuets.
3. Remove from the surface using a damp sponge and clean warm water.
4. Allow to dry.
5. Repeat the process if contamination persists.

PRECAUTIONS FOR USE

Do not allow to come in to contact with clothing, fabrics or carpets as bleaching will occur.
Rinse well, residue will leave marking.

STORAGE/CLEANING

- Keep in a dry place (between 5°C and 30°C).
- Storage: 24 months following the production date when kept in the original unopened container.
- Clean all tools and equipment immediately after use with water
