

EVERYDAY CLEANER

PRODUCT DESCRIPTION

- All-purpose cleaner ideal for daily cleaning.
- Concentrated formulation reduces water marking and streaks on smooth, non absorbent surfaces.
- Granite, porcelain, ceramic, marble, laminate are easily and effectively cleaned leaving a fresh, streak free finish.

RECOMMENDATIONS

- Wear protective gloves and appropriate clothing whilst using the product.
- Keep out of reach of children.
- Keep in a dry place between 5°C and 30°C in the original container.

APPLICATION

Always test a small area before proceeding to ensure finished result is acceptable.

- Shake well before use.
- Dilute with clean warm water at a rate of:
- **For general maintenance:** use 20ml to 40ml per 1 litre of water
- **For a deep clean:** use 50ml to 80ml per 1 litre of water
- Mop / wipe over the surface, for maximum performance leave the product to soak for a few minutes.
- Lightly agitate the product then rinse clean with warm water and polish any remaining water marks off.
- For general maintenance mop / spray on and polish off with a microfibre mop and cloth.
- Clean tools and equipment immediately after use with soapy water.

PRECAUTIONS FOR USE

For Health & Safety instructions, first aid measures, spillages and disposal instructions, see separate Health & Safety Data Sheet (MSDS)

Important: The content of this documentation is based on our experience of the product. PROTECTiT SP guarantees the quality of its products, but expressly declines any liability in the event of failure by the user to comply with the recommendations and conditions of use of said products, notably but not exclusively in the event of incorrect application, application by unqualified personnel, use of products not compatible with PROTECTiT SP products or bad weather conditions.
